LES AMIS DE L'ÉCURIE DU SUD

Competition venue

Overlooking the Biterrois plain, Ecurie du Sud welcomes riders aged 6 and over. Emmylou Gonzales teaches them riding and trains the jumping and TREC competitions teams. It is also an owner-operated stable.

The competition will take place in Magalas and neighbouring towns during the POR.

L'écurie du Sud will host the PTV on its 5-hectare grounds.

A secure reception area will be reserved for the public in the middle of the course.

Discover the area and the PTV in this film shot at Ecurie du Sud.

The association

Les Amis de l'Écurie du Sud is an association whose aim is to organize events around Ecurie du Sud.

Since 2017, we've been organizing a TREC competition in Magalas. Every year, around a hundred riders come to take part in this wonderful competition.

Some forty volunteers work hard to make it a success.
